

Some Families Need Financial Assistance for Assessment -- STARS Can Help

Providers Will

- Complete and return the participating provider form
 - Schedule assessments, at parent request, in a timely manner
 - Provide thorough and accurate assessment, as appropriate
 - If insurance is accepted*, bill insurance company as usual
 - Submit bill to CJE after insurance reimbursement, if applicable
 - Bill families for remaining balance after insurance and CJE reimbursement
- *Providers do not need to accept insurance reimbursement to participate in STARS.

Families Will

- Apply to CJE for financial assistance, before assessment takes place
- Review participating providers to find the best suited assessor for child's needs
- Notify CJE when assessment is scheduled.
- Pay provider remaining balance, after insurance and CJE assistance

CJE Will

- Recommend appropriate testing for students
- Make provider list available to all families
- Pre-approve families for financial assistance, before assessment takes place
- Notify providers when families are eligible for CJE funding
- Pay providers 50% of remaining balance, after insurance reimbursement, up to \$1000 per child
- Remit payment to providers within 30 days of receipt of bill
