Tuesdays & Thursdays 1:00-2:00pm

J Town Program Descriptions

Tot Shabbat

Celebrate Shabbat at J Town every Friday from 11 a.m. – Noon.* Listen to Shabbat stories, sing songs, and enjoy a grape juice and challah snack while learning the special Shabbat blessings. No experience or prior knowledge required to join in the fun! Open to all.

Rosh Chodesh Festivities

We celebrate the new month of the Hebrew calendar by learning about “Jewish time”, the phases of the moon and the month’s associated holidays. Songs, storytelling and games are part of this interactive family experience.

Chaggiga

The Chaggiga program is how we celebrate the holidays at JTown! This unique festive experience engages families in a sensory stimulating, interactive journey that incorporates hands on creativity and imaginative play.

Community Crafts

Crafting and schmoozing is the best way to bond with your children and fellow JTown families. This program invites caregivers to engage with children in a relaxing, creative way. We are building community through crafting Judaica for JTown and for our own homes.

Mother Goose on the Loose with a Jewish Twist

Mother Goose on the Loose is a nursery rhyme based program that incorporates songs, puppets, rhymes and musical instruments. In J Town, we have added a Jewish twist by celebrating the holidays and their colorful themes. This program is best for children from birth through age 3 and their caregivers.

J Town Birthday Parties & Private Rentals!

Ask about renting J Town for your child’s birthday party or group field trip.
